COLLEGE OF FURTHER EDUCATION

Educating for success in a changing world

Colaiste Ide the Finglas College for further education today announced a new initiative Great Stories and Bright futures.

Principal Jean FitzGerald said "Colaiste Ide are committed to creating courses and delivering outcomes that allow our students to progress or gain employment that enables them to create great stories and a bright future."

The Great Stories and Bright futures initiative goes further than the pure educational achievement a student may gain, it is about the great stories that they gather along the way while studying at Colaiste Ide and after graduating, from college alumni.

"Colaiste ide has so many great stories that happen every year and we want our students to share these, it's a life process that starts right here. Further education leads the way to bright futures and Colaiste Ide is committed to providing the highest quality courses while constantly looking to add new courses to the colleges program to meet the needs of both young adults and mature students progression in life" Dr FitzGerald said.

Colaiste Ide intend to launch a great stories portal during the first term and this will be open to all current and past students, so that the Colaiste Ide students and alumina can share as they create.
