Skills to Advance

Take a Step In the Right Direction at No Cost to You!

The government has launched an exciting new initiative which will fund Small and Medium Sized Enterprises to upskill their staff with accredited courses and IF ELIGIBLE NO MONETARY COSTS WILL APPLY (at QQI Level 4 and 5 on the National Framework of Qualifications).

The aim is to give more support to the Irish workforce, and bring benefits to the employer, such as:

- *A stronger more productive & proactive workforce*
- *Higher employee retention rates*
- *Increased competitiveness and productivity*
- *A better skilled workforce*

Colaiste Ide College of Further Education has developed a reputation for delivering effective and relevant career related courses for our participants. It is with pride that we stay in touch with emerging industry developments and in turn, deliver programmes that are adaptive and responsive to changing marketplace needs.

Catering to the Needs of the Employer.

What can we Provide for You?

Under this new initiative, SMEs will be given financial assistance to further develop the skills of their workforce. So why not avail of this fantastic COST SAVING opportunity! We are very eager and excited to engage directly with employers to put a tailored programme in place to cater for your company's needs. With over 50 years in the business of delivering quality industry related programmes, Colaiste Ide CFE will provide you with:

- *Courses tailored to your needs which can be provided at our centre of excellence or on site within the locality!*
- *Skilled & highly qualified trainers*
- *Professional service with accredited courses recognised for the industry e.g. Quality and Qualifications of Ireland, City and Guilds, ITEC*
- *Tuition, Assessment, Certification, and Course Materials all provided at no direct cost to the employer at QQI level 4 & 5.*
